

Pet Friendly Policy

We want our guests and their pets to enjoy their stay with us and, at the same time, not impose upon our “non-pet” hotel guests. We ask that you review and respect by these policies for the comfort of all of our guests.

1. We do not want to charge additional fees for well-behaved pets and ask that you control your pet properly so that we do not have to. We will charge a refundable deposit of \$100.00 and require a valid credit card upon check-in for any repair, replacement or cleaning.
2. We ask that your pet be secured or removed when housekeeping or maintenance is being performed in your room and do require these services on a regular basis.
3. For emergency purposes, please make sure we have a contact phone number for you if you leave your pet in the room unattended.
4. If the hotel receives repeated complaints regarding noise or other disruption, you agree to make immediate alternative arrangements for your pet.
5. You agree that any damages caused by your pet to the room or any area of the hotel are your responsibility and authorize the hotel to charge costs of repairs and lost revenues to your credit card.
